**Global Management
Program
(UK GLOBAL MBA
+ PGPCM)**

INDIAN SCHOOL OF ECONOMICS

PROGRAM OVERVIEW

The UK Global MBA program offers a comprehensive curriculum that combines traditional business education with an international perspective. It typically covers core business areas such as finance, marketing, operations, and management, while also emphasizing global business trends, cross-cultural communication, and international business strategies. Students often have the opportunity to participate in international study trips, exchanges, or consulting projects to gain hands-on experience in diverse business environments. Graduates of Global MBA programs are well-prepared to pursue careers in multinational corporations, global consulting firms, or start their own ventures with a strong understanding of the complexities of the global business landscape.
